Spring News and Upcoming Items

- 13 Bayshore SC teams will be competing in the **FSCI Summer Classic and Showcase** (Fredericksburg, VA). This tournament will replace the Mid-Atlantic Cup. The club strives to ensure the players and parents get the best experience during each tournament. Because of continued restrictions and the unknowns with the Mid-Atlantic Cup, the Board of Directors selected a tournament that will allow (as of today) the family to watch their players compete and put their season worth of development on display for you!
- **2021-2022 Try-outs** – Try-outs will begin the week of May 10th. Registration will open in April for the 2021-2022 season and the formal schedule for try-outs will be released mid-April. Please look for the registration announcement!
- **Summer Training** – Bayshore SC is looking to participate in the EDP summer league. The exact summer options offered to each team will depend on the number of interested players. Price will be \$175/player for league play and \$125 for training only (training only will include weekly pick-up games, just not a formal league). More information to come on this, so be on the look-out for registration by mid-April.
- **New Uniform Cycle** – Bayshore SC will change their uniforms for the fall of 2021. This means an additional cost to our membership. All uniform manufacturers have increased their cost by an average of 35%. Because of this, Bayshore made a slight modification to their current kit to help reduce overall cost. Bayshore will be returning to their traditional Blue and White colors, with a white top and a blue top, but a single pair of blue shorts. You are welcome to purchase two shorts, but both tops will go with a single pair of shorts.
